EDUCATION

Virginia Commonwealth University, Richmond, VA

School of the Arts, Bachelor of Fine Arts in Graphic Design & Bachelor of Arts in Computer Science

Expected May 2026

RELEVANT PROJECTS

Sentiment Voice Korea — Project Coordinator, Writer, Programmer

August 2025 - Current

- Coordinating and contributing to an immersive VR project that reconstructs the emotional dimension of the immigrant experience using real-world emotional data
- Focusing on marriage migrant women in Korea's multicultural society to highlight emotional landscapes beyond institutional language
- Collaborating with a team of 7 to develop the project, successfully submitting to two conferences, and gaining acceptance at the Generative Art Conference in Rome, Italy, the Ammerman Center 18th Triennial Symposium for Art and Technology, and the National Conference on Undergraduate Research 2026.
- Presented on behalf of my team in Rome, Italy December 2025. Presented with my team at The Triennial Symposium for Art and Technology.

Remote Patient Monitoring System — Frontend Programmer

Spring 2025

- Developed the frontend of a web application with a Python Flask backend using HTML, CSS, and JavaScript
- Collaborated with a team of 5 to create a platform for nurses, doctors, and patients to monitor health data such as blood pressure and heart rate

Marketing Campaign — Designer, Creator

Spring 2025

- Led the creation of a multimedia awareness campaign exploring how modern love deviates from its traditional essence, drawing on a quote from Shakespeare's *Hamlet* for thematic depth
- Designed and produced promotional merchandise, including stickers, t-shirts, and tote bags, distributing them to engaged peers to foster grassroots support
- Developed and shared Instagram posts featuring campaign visuals, such as photos of participants wearing the merch and a finalized quote graphic, to broaden reach and spark discussions

DESIGN EXPERIENCE

Virginia Commonwealth University CS Department, Richmond, VA — Computer Science Website

Development

February 2026 - Current

- Update and maintain departmental websites using TerminalFour (CMS).
- Create and edit multimedia content using Adobe Premiere Pro and Canva.
- Collaborate with faculty and staff to produce engaging web and social media content.
- Manage multiple projects while meeting deadlines in a fast-paced environment.

Que Tee's Print Shop, Richmond, VA — Graphic Design Intern

Feb 2024 - Apr 2024

- Produced custom Direct-to-Garment, embroidery, and vinyl garments with strong attention to detail
- Handled customer service via phone and in person, demonstrating excellent communication and flexibility
- Contributed to website updates & maintenance while managing multiple tasks efficiently

ADDITIONAL EXPERIENCE

Marriott Manor Club, Williamsburg, VA — Hospitality Intern

May 2024 - Aug 2024

- Operated the resort's pool bar independently, demonstrating strong responsibility and multitasking skills
- Prepared drinks and food for guests with attention to detail & a customer service focus
- Opened and closed the bar while providing general guest assistance and maintaining a welcoming environment
- Shadowed the Activities Director to learn event planning and coordination, developing organizational and communication skills

Finish Line Summer Camp, Richmond, VA — Camp Counselor / Assistant Camp Director

Summers of 2019, 2022, 2023

- Supervised and mentored campers aged 6-14, demonstrating strong leadership and communication skills
- Led group games & activities for over 40 children, fostering teamwork & engagement
- Developed leadership and teamwork programming, enhancing organizational and problem-solving abilities
